## The Puzzle...

*Pieces From The Puzzle* is an exclusive vinyl release from LA based producer/composer Take and Buttermilk Records. Following the commercial and critical success of his first Buttermilk release, *Third Story*, Take offers these four new selections as a prelude to his upcoming full-length release.

## Selections

### Side A

Frustrated 5:08  
Next (the remix) 5:13

### Side B

As I See It 4:34  
L.A.T (12" mix) 3:27

## Publicity

Who loves Take? CMJ, XLR8R, Minty and Jointz Magazine to name a few. With only a few months on the market, Take has received nothing but favorable reviews and encouragement from virtually any media outlet his product reaches. Expect expanded coverage gathered from college radio, DJ support and reviews in related music publications for this release.

## Who Buys Take?

Hip-hoppers, downtempo headz , and anyone thirsty for something fresh. TAKE'S sound can be described as instrumental hip-hop on some melodic next level sh#! Take is extremely well received by the international and domestic DJ set. Strong sales are documented in the US as well as the Pacific Rim, Europe, Australia and Canada. Take's niche can be described as savvy consumers interested in music and hip enough to be below the radar yet charged enough to spin in clubs, radio, parties and on select mix tapes.

## Pieces From The Press

"Some ill shit. Tracks that sooth, holler and don't disappoint. Set a date with this one!" - JOINTZ

"LA based producer Take puts junk in the trunk of the hip hop low-rider, awakening the soul roots of modern hip hop" - XLR8R MAGAZINE

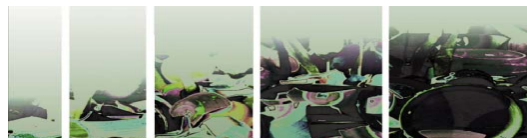

"Strokes of psychedelics cut in a downbeat haze like a clashing of DJ SHADOW and BOARDS OF CANADA in Mr. Rogers Neighborhood. The surprise record of the week " -CMJ

"Headz that are into diggin' are gonna love "Third Story", the new ep by Take" –
